PAYMENT SCHEDULE

The payment will be made on the same day that you receive the *Bolsa Família* benefit.

- 2** If you **ARE NOT** part of the **Bolsa Família** programme, the Emergency Aid 2021 will be paid via a digital social savings account, opened automatically and free of charge by the *Caixa Econômica Federal* Bank, in the beneficiary's name. To access it, download the app "**CAIXA TEM**".

bit.ly/3wFOTjr

In case you access the website to consult the Emergency Aid 2021 - consultaauxilio.cidadania.gov.br/consulta see the result “**INELIBIGLE**” and don’t agree with it, click on the button “**Contestar**” (Contest).

- ↳ **After clicking on the button**, an analysis will be presented to show if, after the reasons of non-approval of your aid are presented, it is possible to submit a contestation.
- ↳ **If it is possible**, the system will ask if you would like to submit the contestation and, when confirmed, the contestation will be sent to the Federal Government for evaluation.

You will have 10 running days to submit your contestation.

This period will start to count once the results are posted on the consultation website.

Those who submit a contestation will have their benefit analyzed again the following month, with the objective that the analyses conducted meet the current situation of the citizen as much as possible.

USEFUL INFORMATION

If your family **RECEIVES** the **Bolsa Família**, the payment will be delivered to the same account and programme card or via bank deposit, depending on how the benefit is already paid.

If you **DO NOT** receive the **Bolsa Família**, the payment will be delivered to the digital social savings account of Caixa, through the **Caixa Tem** app.

Those who do not own a cell phone or the app can also request to withdraw the benefit at the agencies of **CAIXA**. But attention to the payment schedule for those who are not part of the **Bolsa Família** programme, because the money is first available at the “**CAIXA Tem**” app and only then is available for withdrawal.

The Emergency Aid 2021 **cash withdrawals** will follow a **specific calendar** of the Federal Government.

Should you need to withdraw the Emergency Aid 2021, **always have in hand an identification document** (asylum seeking protocol, temporary RNM document or RNM card).

Avoid agglomerations! If you need to withdraw the benefit, remember to always wear a mask and respect social distancing.

BEWARE of websites and links requesting your subscription and personal information to receive the Emergency Aid 2021!

Remember that this year there will not be a new registration and the payment will be automatic, based on the data of those who received the benefit in 2020!
